Important Notes:

1. 1st internal examination will be evaluated on the basis of performance in wall magazine.
2. Participation is a must.
3. Last date of submission of an article is 19.11.2024.
4. Each team is supposed to submit at least 5 articles.
5. Articles can be in the form of Writing (Not more than 500 words), Drawing, Poems, collage, graffiti etc. A4 size art paper is preferable. Always contact your mentor for more support and information. Suggestions are welcomed to make the wall magazine beautiful and a success.
6. All the articles must be mathematics oriented.
7. If a proper bill is provided, the department will support up to Rs. 200/Team for article related expenses.
8. Try to make each article neat and colourful as possible.
