Publication of E-Magazine “SRISTI”

This notice informs you that the Physics Departmental E-Magazine “SRISTI” will be published in October 2023. All the students of the Physics department, including those enrolled in the Programme Course, are asked to submit their original writing (poem/short story/article), painting/artwork, sketches, or photographs to the departmental email id physics@srikrishnacollegebagula.ac.in within 30/08/2023. Students have to submit the soft copy of the manuscripts in word format. The hand-written manuscripts will not be accepted for publication. They can choose a language (Bengali/English) according to their preferences. They have to mention their Name, Semester, and course (Hons/Programme) in the mail and the soft copy of the writing. In the case of paintings or sketches, an HD-quality scan is necessary. The publications will be based on the editorial selection.
