**Date:** 18 June 2025

**Mode:** Virtual

The Department of Political Science, Srikrishna College, successfully organized its Alumni Meet on 18th June 2025 in a fully virtual mode. The event aimed to foster connections between the alumni and the department, provide a platform for sharing experiences, and explore ways in which former students could contribute to the academic and professional growth of current learners.

The meeting commenced with a warm welcome address by **Arijit Chowdhury, HOD, Department of Political Science, who greeted all attendees and expressed gratitude for their participation despite the geographical distances. Sri Binoy Biswas, Senior Faculty member, gave a brief presentation highlighting the department's achievements, recent initiatives, and academic milestones since the last alumni gathering**

Several distinguished alumni from various batches joined the session and shared their experiences in academia, public administration, civil services, research, journalism, and other professional fields. They spoke about how their grounding in political science at Srikrishna College had shaped their careers and personal growth. **Sri Amitabha Mondal, Secretary of the Alumni Association, delivered a brief address highlighting the potential contributions of alumni towards the overall development of the College.**

Faculty members and alumni engaged in an interactive session discussing opportunities for collaborative projects, career guidance for current students, and internships. The alumni also shared valuable advice on preparing for competitive examinations and navigating diverse career paths.

The session concluded with a vote of thanks delivered by Sri **Kamalesh Poddar, Senior Faculty Member, who expressed appreciation for the alumni's continued attachment to their alma mater and their willingness to contribute to the department's development.** The meet reaffirmed the strong bonds between past and present members of the Srikrishna College Political Science family.

The virtual mode enabled alumni from different regions to participate, making the gathering more inclusive and fruitful. Plans were proposed to create a dedicated alumni network for the department to ensure regular interaction and collaboration in the future.
