

### Quiz Competition :

**Topic Name:** *Chemistry and our daily life*

**Date and time :** 10<sup>th</sup> July, 2021, 11:00am - 12.30pm

**Number of participants:** 21

The department has arranged an intra-college quiz competition on ‘daily life chemistry’ on ,2021. 21 students in 7 groups have participated in the competition. Other students have participated as audiences. Group C with students named Sumi Biswas (Sem I), Joyee biswas and Asish Biswas (Sem IV) stood first in the quiz. It was a fun filled afternoon for all of us. All the students participated passionately and beautifully showed their talents in quizzing. The participation clearly showed students' efforts and their knowledge about daily life chemistry.

The quiz questions are made by department faculties and the quiz is presented by Dr. Paromita and Dr. Nabadyuti on the quiz day. At the end of the occasion, many students came up with new ideas of quiz topics for next time. It was the best way to memorize the existence of chemistry in our everyday life. It is also a way to show the students how industries are dependent on chemistry and they can set a career goal with the industrial chemistry regime.
