

## Report of Departmental Activity 2017-2018

### FRESHER'S WELCOME ON 21-12-2017

Department of Physics organized Fresher's Welcome Programme for 1<sup>st</sup> Year students on 21.12.2017. The purpose of Fresher's Party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. The 2<sup>nd</sup> Year students of 2017-2018 had taken that responsibility.

The program started with lamp lightening and speech by Dr. Satyapriya Mukhopadhyay (Associate Professor, Department of Bengali), Mr. Somnath Chakraborty (Associate Professor, HOD, Department of Mathematics), and Dr. Sankar Prasad Dey (Assistant professor, HOD, Department of Chemistry). After inaugural speech by our honoured guests, the senior students welcomed the Freshers with flowers and small gifts. Senior students arranged many activities for freshers which include cultural events where everyone got chance to showcase their talent. Refreshments were served in between the program. Around 50 students participated in this programme. The support from Principal, all the Faculty members and non-teaching staff made the programme successful.

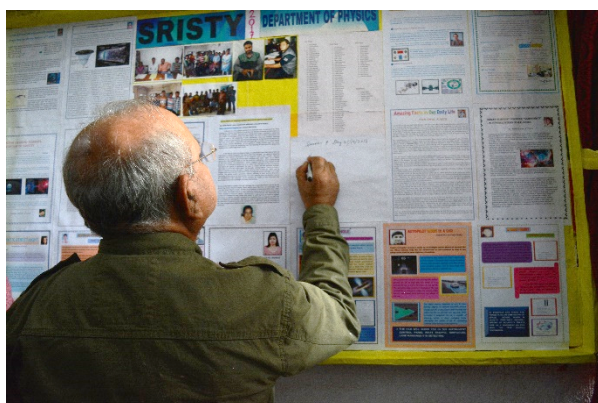

## INAUGURATION OF DEPARTMENTAL WALL MAGAZINE “SRISTI”

ON 21-12-2017

The wall magazine of the Department of Physics is a combined effort of the students and faculty members of the department. The aim of the wall magazine project is to get the students actively involved with the subject and to develop their skills outside the classroom.

Dr. Sankar Prasad Dey (Assistant professor, HOD, Department of Chemistry) inaugurated the Wall Magazine by the traditional ribbon cutting ceremony. The program was followed by enlightening the students with the purpose and importance of a wall magazine. Faculty members of all the departments graced us with their valuable words. They also signed the magazine with their valuable comments. Around 40 departmental students participated in this programme.

**Duration : 3 hrs**
