Report on Online State Level Seminar

Topic-Student Welfare Schemes

Date-1st January , 2022

Introduction- Student welfare encompasses the mental, physical and emotional well-being of students. Provisions for student attendance are integral to providing for student welfare. Student welfare policies and programs are essential for developing a sense of self-worth and fostering personal development. Student welfare could include:

- programs that the school provides to meet the personal, social and learning needs of the students
- effective discipline
- monitoring student attendance and strategies for improving unsatisfactory attendance
- early intervention programs for students at risk
- student, family and community support networks
- opportunities that the school provides for students to
 - enjoy success and recognition
 - make a useful contribution to the life of the school
 - derive enjoyment from their learning.
