

# **SRIKRISHNA COLLEGE,BAGULA,NADIA**

## **USE OF ICT TOOLS BY FACULTY MEMBERS**

It is known to all that ICT has enabled us with better and swifter communication, presenting ideas in an effective and relevant way. It is an effective tool for acquiring information from multiple sources to help students to enhance their knowledge database. As such the teaching faculty tries to make the best possible use of this technology in their teaching process. The college has ICT-enabled well-equipped laboratories and classrooms, which helps a teacher to demonstrate various concepts on subjects for better understanding of students.

### **ICT CLASS ROOM**

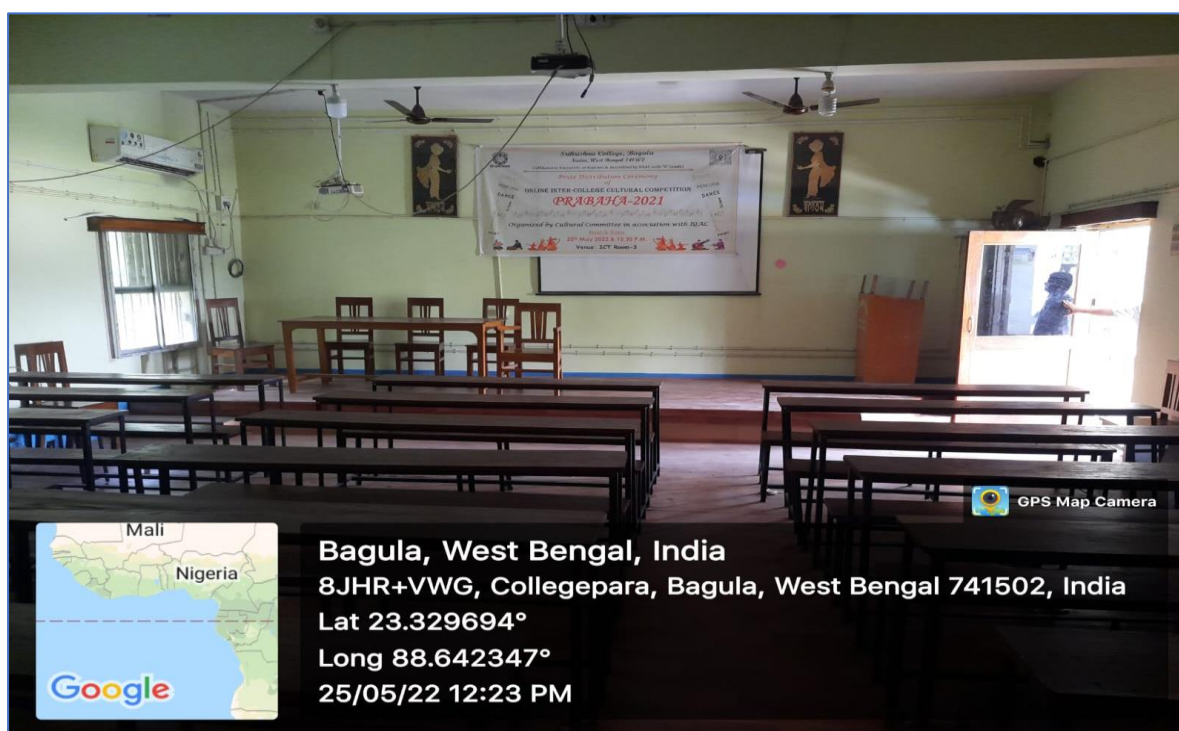

Smt.Papya Banerjee taking ICT Class

### **SMART CLASS ROOM 1**

**ICT ROOM – 2**

**ICT ROOM 3**

ICT enabled Laboratory Cum Class room

### ICT Classroom Geography

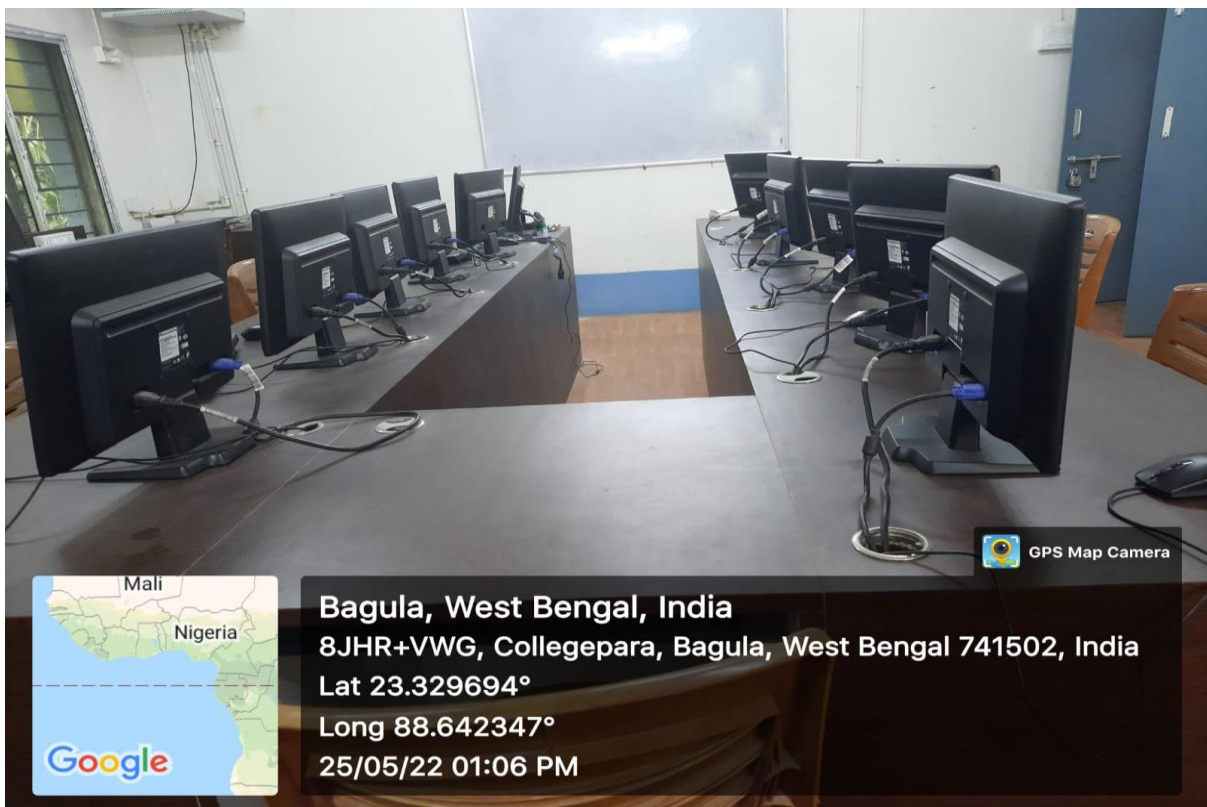

ICT CLASS ROOM COMPUTER SCIENCE

**ICT CLASS ROOM Physics**

**Soft ware laboratory With updated ICT Tools, Computer Science  
Department**

**Updated ICT Enabled Computer Laboratory of Geography  
Department**

**Computer Laboratory, Department of Commerce**

**Electrical & Electronics Laboratory (1<sup>st</sup> Floor, FB-IV)**

**Optics Laboratory (1<sup>st</sup> Floor, FB-IV)**

**Thermal, Solid State, and Modern Physics Laboratory**  
**(2<sup>nd</sup> Floor, FB-IV)**

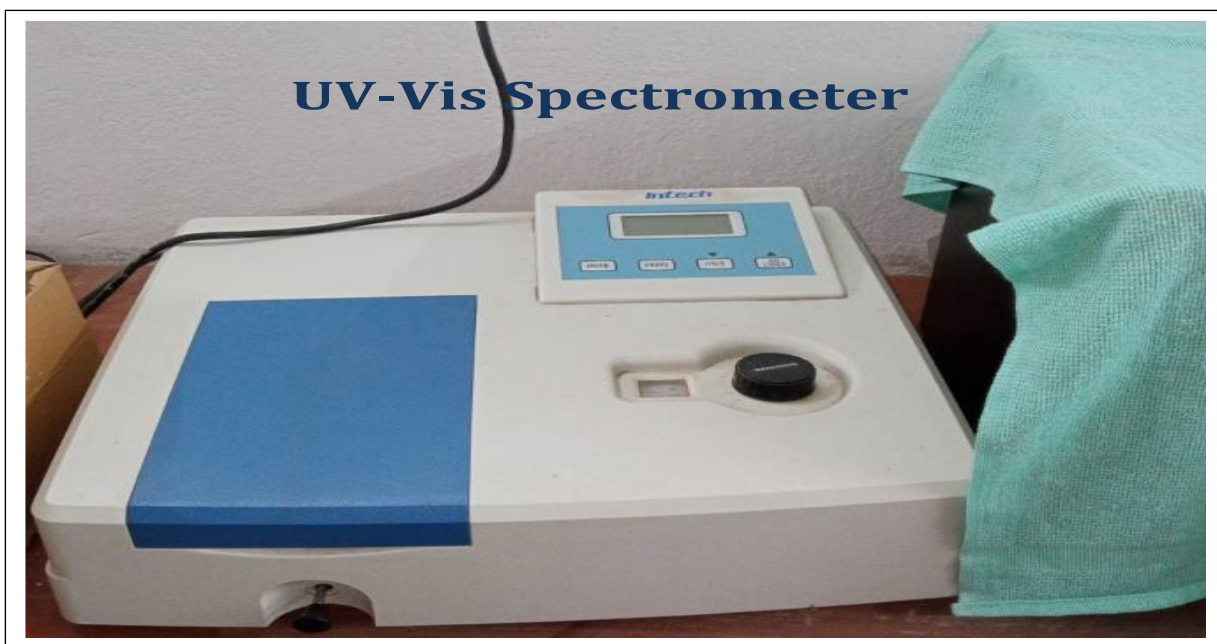

**Communication Electronics Laboratory (2<sup>nd</sup> Floor, FB-IV)**

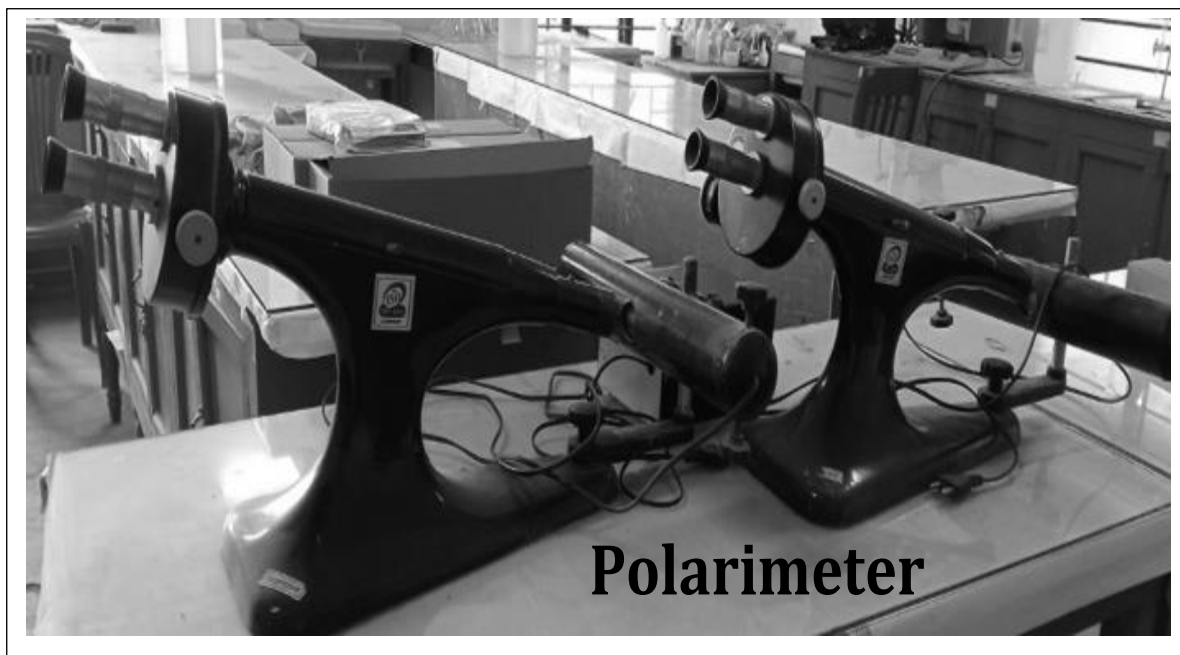

**Optics Laboratory (2<sup>nd</sup> Floor, FB-IV)**

**Digital UV -Vis Spectrometer, Department of Chemistry**

**Polarimeter**

**Polarimeter, Department of Chemistry**

**Online public access Catalogue in Library**

**Students Enjoying In hardware Lab, Department of Computer Science**

**Students Enjoying classes in software lab, Department of Computer Science**
