Mentor- Mentee Report 2023-2024:

The Mentor-Mentee system is an initiative aimed to provide personalized guidance and academic support to students. Through this system, faculty members (Mentors) are assigned to groups of students (Mentees) to offer guidance in academic and career matters. Faculties of the Department of Sociology, Srikrishna College have tried to do that during July, 2024 to December, 2025. They tried to guide 1st Semester Sociology Major Students for End Sem Exams which include theoretical (**Introduction to Sociology-I; Course Code: SOC-M-T-1**) as well practical (**Practicing Sociology-I; Course Code: SOC-SEC-P-1**) papers.

In the second half of the academic session 2024-2025, we have divided our Sociology (Major) Semester-II students in two groups for giving them proper support before conducting field work. They will conduct this field work in Sem-II as part of their practical course (**Practicing Sociology-II; Course Code: SOC-SEC-P-T-2**).

In Sem-III, Mentors have tried to guide their mentees for two assigned courses i.e., (**Indian Society: Structure & Process; Course Code: SOC-M-T-3**) & (**Practicing Sociology-II; SOC-SEC-P-3**). For giving them some special attention, mentors have divided them in two groups i.e., Group-A & Group-B.

In Sem-IV, mentors have tried to guide their mentees for another course i.e., (**Indian Sociological Thinkers; Course Code: SOC-M-T-4**). In this semester, Mentors divided all students in two groups for providing them enough support and assistance.
