Outreach Program

Standing for each other's success...

An Outreach program was conducted on **23rd November, 2022**, by Department of Chemistry, Srikrishna College, Bagula in which students and teachers spent the day in resource sharing program with nearby schools located in Bagula. In this program seven schools participated. Chemistry department distributed chainomatic analytical balances to the representative of those schools which would help students in their science practical study.

We had taken up the cleanness and rearrangement drive for chemistry laboratory. During this exercise we found out that few nos. of balances were in new condition but lying unused. The balances were purchased from RUSA fund but unfortunately due to change in the syllabus (implemented CBCS) the balances become redundant. This situation gave rise to the idea to conduct a resource sharing program with nearby schools. Eventually, we drafted one scheme and took approval from the principal to conduct the program.

The program was convened by Principal sir. A short demonstration on the method of usages of the balances was given to the representative of the participating schools. We did reach out to these school's students through our sharing initiative which would help them to learn more scientifically and practically.

Resource sharing by Principal

Demonstration of method of usages and calibration process

REPORT ON NSS ACTIVITIES DURING THE ACADEMIC YEAR 2022-2023

Name of the Activity: Health and Social Awareness Campaign under Village Adoption Program 2022.

Date:15.07.2022

Venu: Madna Primary School.

Srikrishna College NSS Wing organized the Health and Social Awareness Campaign as part of the village adoption programme on 5th July 2022. As part of the programme, some people of the village of Madna were given masks and sanitizer, so that they could be able to deal with the COVID-19 Virus. Some Women of the same village were given sanitary napkins. The principal of our college presides over this awareness campaign. A respected Doctor named Dr. Susmita Adhikari from a local hospital was also present in this program. Some respected faculty members and some dignitaries of the college were also present in this programme. The programme was coordinated by Dr. Bipul Mandal, Coordinator of NSS. He coordinated this programme successfully with the sincere help of almost thirty NSS volunteers. Almost a hundred students from different academic departments and some guardians attend the programme. Cooperation was obtained from the respected Headteacher and other Teachers of Madna Primary School.

Rabindranath Death Anniversary Observation 2022.

Date:08.08.2023

Venue: College Auditorium

August 7 marks Nobel laureate Rabindranath Tagore's death anniversary. On this occasion, the death anniversary of Tagore was commemorated on 8th August 2022 in our college. The programme was presided over by the Principal of the College. All the faculty members of the Department of Bengali actively participated in this programme. They recalled the importance of Rabindranath in India's education, Culture, and spirituality in their speech. Students performed recitations of the poems of Rabindranath Tagore and danced with the song of Rabindra Nath Tagore and also performed the song of Rabindranath Tagore. The Whole Programme was coordinated by the Coordinator,NSS.
