Sub: Request for Action on Non-Attending Students
Allowed in Internal Examinations.

Respected Sir/Madam,

We, the students of 3rd semester of English Department, of SriKrishna College are writing to bring to your attention an issue concerning students of our class who are not regularly attending classes but are still being allowed to appear for the internal examinations. This practice is causing concern among us, who adhere to the institution's attendance policies and are committed to attending classes regularly.

Mainly it's seen that the ir-regular students of our class shows the fake medical report to seat in the internal exam, instead of showing it before hand during the class, including with some silly excuses. It seems like all of the irregular students were suffering from illness just before the Internal exam. They also missuse the Kindness of the teachers to appear in the internal exam instead of coming to college.

So, we kindly request the Grievance Redressal Cell to look into this matter and take appropriate action, to maintain fairness and academic integrity within the institution.

Thank You

Yours sincerely,

Date: 22/04/2025, Time: 12 noon, Venue: Meeting room

Resolutions

:-

It was decided that a **Mental Health Club** will be formed with the aim of creating a supportive environment for students to address mental health concerns, reduce stigma, and promote overall well-being. The club will provide peer support, raise awareness, offer educational resources, and connect students with professional help.

Key functions of the club shall include:

1. Creating a safe space where students can share experiences, ask questions, and receive peer support.
2. Educating students about mental health issues, the importance of seeking help, and available resources.
3. Offering practical strategies for managing stress, improving emotional health, and fostering well-being.
4. Organizing events to raise awareness and advocate mental health support.

Structure of the Club:

- The club will comprise **five teachers** (including the Joint Convenors of the Grievance Redressal Cell) and **four students** selected by the Cell.
- The club shall organize **interactive mental health awareness sessions** with small groups of students , selecting different groups at different times.

Assessment and Expert Consultation Process:

- Students in each group will be given simple tasks designed to assess aspects of their mental health.
- Results of these tasks will be sent online to a qualified expert for evaluation.
- If the expert recommends further check-up, the club will arrange an **online meeting** between the student and the expert after obtaining parental consent.
- Students may also directly request such an online meeting if they feel the need.

Expert Engagement and Charges:

- The Cell has approached **Ms. Ankita Paul**, Counselling Psychologist at JRS Public School, to act as the expert consultant.
- Ms. Paul has verbally agreed to provide **30-minute online interactive sessions** with individual students at a rate of **Rs. 500 per student**.
- She has also communicated her availability to interact with **a maximum of five students in a single day**.
- It is proposed that **at most one day per month** will be allocated for such online expert meetings.
- The cost of each session will be shared equally between the college and the concerned student, with the college covering **50%** of the charges.

Further Action:

- A formal proposal to **form the Mental Health Club for students** will soon be submitted to the Principal for approval.
- A **budget proposal** for the upcoming **One-Day Seminar on Mental Health and Inauguration of the Mental Health Club** will also be prepared and submitted to the Principal for necessary sanction.
