Students' Feedback Analysis Report (2019-20)

Observations:

1. 77.7% students have rated the admission procedure from Good to Excellent.
2. 70.7% students said that 55-84% syllabus was covered in this academic session. 10.9% favoured for 85-100%.
3. 71.5% students are highly satisfied with the evaluation process.
4. 71.8% students feel that institute provide adequate support to learn and grow.
5. 67.2-69.2% students have stated that Teachers are very careful to the students and help them to realise their potential.
6. 72.1% students feel that teachers use ICT efficiently.
7. Most of the students are satisfied with the college office.
8. 75.9% students are satisfied with the facilities available in the library like availability of books, internet facility etc.
9. 76.7% students have rated Laboratory facility from not sure to agree. May be due to covid situation.
10. 69.7% students have rated extra-curricular activities from good to excellent.
11. Most of the students feel that college campus is green and eco-friendly.
12. Students are happy with the College infrastructure, College administration etc. However, 72.2% students have rated that common room, drinking water, sanitary system, cleanliness, students' aid fund etc from average to good, which is an area of concern.

Recommendations:

1. A whopping 18.4% students feel that syllabus was not covered properly. This may be due to the pandemic situation posed by covid 19. Teaching Faculties are recommended to use online medium more than ever to reach every student.
2. College Administrations are recommended to set up a committee to monitor Covid 19 situation on a regular basis and make recommendations like whether the college laboratory can be opened for students (Maintaining Social distance) so that students are not lagged behind and so on.

3. College authorities are recommended to make all the documentation process online.
4. Teaching faculties are recommended to use Video Conferencing platforms, Digital classrooms, Digital board and other digital mediums to make online classes user friendly and interesting.
5. College authorities are recommended to organize regular webinar in various disciplines to update the knowledgebase of both teachers and students.
6. College authorities are recommended to organize regular counselling session to check on both physical and mental health of students & teachers.
