About the College:

Srikrishna College, with a history of seven decades of commitment of spreading higher education and all-round development, is an institution that believes in dynamic widening of its vision and translating it into real opportunity. The college believes learning to be a self-building process for the student and hence cultural, athletic, career-oriented workshops and personality building exercises form a part of the college events. College was established in the year 1950 but it did not receive its formal approval/accreditation/affiliation from the **University of Calcutta**. In the academic year 1952-53, Srikrishna College received the permanent seal of approval to teach the IA standard curriculum. Subsequently, the college was allowed to start the B. A. degree classes from the year 1957.

The University of Calcutta granted Srikrishna College permission to start their B. Com. degree classes from the academic year 1962-63. In the academic year 1995-96, the college has got permission to start science stream (UG B.Sc.) with Arts and Commerce Stream. The college was affiliated with the **University of Calcutta** till the year 1998 and from 1999, Srikrishna College, Bagula has been under the affiliation of the **University of Kalyani**, West Bengal.

About the Department:

The department of Physical Education, Srikrishna College, Bagula, Nadia has started his journey with the affiliation of B.A. (General) in the year 2003-04 under the University of Kalyani. Department has started the course with 50 students and for the demand of the subject the strength has increased to 267 students. Department has upgraded to the CBCS system from the academic session 2018-19. The CBCS provides the opportunity for the students to choose subject from the prescribed courses comprising of core, elective, skill enhancement or ability enhancement courses. The aim of the department is to produce perfect student by providing theoretical knowledge as well as practical knowledge of the subject for the better performance in the field of games & sports or in the higher education. The department has glorious history from the beginning of
