

PARENT TEACHER MEETING

Parent or guardian is one of the most important stakeholders of an Institution. The department conduct parent-teacher meeting once in a year. Parents come on a schedule date and time to meet with the faculties. They discuss about the performance of their descent with the departmental faculties. The teachers also analyse the syllabus, importance of attendance, evaluation system, program outcome to them. Usually more than 25 % parents attend the meeting .The department is trying to arrange this meeting frequently to exchange the view about their descent in future
