Activity Report

Academic Year: 2025–26

Name of the Event: Wall Magazine Publication Programme – "INFINITY & BEYOND", 2025

Organized By: Department of Mathematics, Srikrishna College, Bagula

Name of Convenors/ Coordinators: Editorial Committee: Faculty Members of the Department of Mathematics, Srikrishna College, Bagula.

Date: 8th December, 2025

Number of Participants: 40 Participants

- Students: 27
- Faculty Members: 13

Theme: "INFINITY & BEYOND – Promoting Mathematical Creativity, Innovation, and Interdisciplinary Learning"

Objectives of the Event: The Wall Magazine Publication Programme was organized with the following objectives:

- To promote mathematical creativity and innovation among students.
- To encourage students to express mathematical ideas through art, writing, and visual presentations.
- To foster interdisciplinary awareness by highlighting the applications of mathematics in various fields.
- To develop research aptitude and scientific curiosity among students.
- To encourage collaborative learning and teamwork through student-led academic activities.
- To create awareness about the contributions of eminent mathematicians, particularly women mathematicians.
- To inspire students to explore mathematics beyond the prescribed curriculum.
- To strengthen the academic and creative culture of the Department of Mathematics.

Description of the Event: The Department of Mathematics, Srikrishna College, Bagula successfully organized the Wall Magazine Publication Programme titled "INFINITY & BEYOND" on 08 December 2025 with the objective of promoting mathematical creativity, interdisciplinary awareness, and active student engagement beyond the classroom.

The Wall Magazine was carefully conceptualized, designed, and curated by the students under the guidance of the faculty members of the Department of Mathematics. It provided an innovative platform for students to communicate mathematical ideas creatively while demonstrating the beauty, diversity, and practical relevance of mathematics.

The publication was systematically organized into six thematic categories, each highlighting a unique aspect of mathematical knowledge and creativity:

1. Mathematical Art & Visuals
2. Female Mathematicians & Their Contributions
3. Interesting Topics in Mathematics
4. Real-Life Applications of Mathematics
5. Mathematics Posters
6. Guess the Famous Mathematician

These sections reflected the students' originality, imagination, analytical thinking, and artistic skills while successfully presenting mathematics in an engaging and accessible manner.

The programme commenced at 11:30 AM with the ceremonial lighting of the Mangaldip by the Hon'ble Principal, Dr. Sukdeb Ghosh, symbolizing the beginning of an intellectually enriching academic event.

At 11:40 AM, the invited guests were felicitated through the traditional Mongol Tika ceremony and presented with saplings as tokens of respect and appreciation.

Between 11:50 AM and 12:10 PM, Dr. Sukdeb Ghosh, Principal, and Dr. Anamika Chakraborty, IQAC Coordinator, addressed the gathering. In their inspiring speeches, they highlighted the importance of innovative academic initiatives, creative thinking, and the indispensable role of mathematics in everyday life. They encouraged students to participate actively in research-oriented and creative academic activities that complement classroom learning.

The Wall Magazine "INFINITY & BEYOND" was formally inaugurated at 12:15 PM by the Principal in the presence of faculty members and students. The publication received widespread appreciation for its aesthetic presentation, originality, informative content, and thoughtful organization. Faculty members from various departments enthusiastically visited the exhibition and signed the Wall Magazine as a gesture of encouragement and appreciation, reflecting the spirit of interdepartmental cooperation and academic support within the college.

The programme concluded with a Vote of Thanks at 12:30 PM, expressing sincere gratitude to the Principal, IQAC Coordinator, faculty members, students, organizers, and all contributors for their wholehearted cooperation and support in making the programme a grand success.

The event witnessed enthusiastic participation from around 27 students and 13 faculty members representing different departments of the college. Overall, the Wall Magazine Publication Programme proved to be a meaningful academic initiative that successfully fostered creativity, collaborative learning, interdisciplinary awareness, and a deeper appreciation of mathematics beyond conventional classroom teaching.

Outcomes of the Event:

- Students developed greater creativity in presenting mathematical concepts through visual and literary expression.
- Participants gained awareness of the historical contributions of renowned mathematicians, especially women mathematicians.
- The programme enhanced students' research, writing, and scientific communication skills.
- Students explored real-life applications of mathematics, strengthening conceptual understanding.
- The event encouraged collaborative learning, teamwork, and peer engagement.
- Faculty members from different departments actively appreciated and supported the initiative, promoting interdisciplinary collaboration.
- The Wall Magazine inspired students to pursue mathematics with greater enthusiasm, curiosity, and creativity.
- The programme significantly enriched the academic and cultural environment of the Department of Mathematics
