Feedback Report

Our institution, Srikrishna College aims to offer the best possible academic environment and learning experience to encourage students to perform to their full potential for not only academic achievements but also to realise the beautiful aspects of human life. And to achieve that summit, the feedback system of this institution has always been a highly formidable tool. We believe feedback is effective listening. It motivates us to improve academic performances. It plays a crucial role not only in optimized & collaborative teaching learning but also other social aspects of life by helping to adopt new knowledge sooner and avoid repetitive mistakes. Students, teachers, and parents play an important role in the evaluation, development and enhancement of the quality of this learning experience. Their inputs have guided us efficiently to follow the path of nirvana of excellence. To continue on this path, all the stakeholder's feedback data was collected, analysed and effectively implemented.
