

Feedback Report

Our institution, Srikrishna College aims to offer the best possible academic environment and learning experience to encourage students to perform to their full potential for not only academic achievements but also to realise the beautiful aspects of human life. And to achieve that summit, the feedback system of this institution has always been a highly formidable tool. We believe feedback is effective listening. It motivates us to improve academic performances. It plays a crucial role not only in optimized & collaborative teaching learning but also other social aspects of life by helping to adopt new knowledge sooner and avoid repetitive mistakes. Students, teachers, and parents play an important role in the evaluation, development and enhancement of the quality of this learning experience. Their inputs have guided us efficiently to follow the path of nirvana of excellence. To continue on this path, all the stakeholder's feedback data was collected, analysed and effectively implemented.

Students' Feedback Analysis Report (2020-21)

Observations:

1. 95% students have rated the admission procedure from **Good to Excellent**.
2. 58.3% students said that **70-100%** syllabus was covered in this academic session which is a significant improvement than previous academic year.
3. 76.3% students are **satisfied** with the evaluation process.
4. 78.4% students feel that institute provide **adequate support** to learn and grow.
5. 79.2% students have stated that Teachers are **very careful** to the students and help them to realise their potential.
6. 71.2% students feel that teachers use ICT **efficiently**.
7. Most of the students are **satisfied** with the college office.
8. 79.9% students are **satisfied** with the facilities available in the library like availability of books, internet facility etc.
9. 69.8% students have rated Laboratory facility very good.
10. 88.5% students have rated extra-curricular activities from **good to excellent**.
11. Most of the students feel that college campus is **green and eco-friendly**.
12. Students are **happy** with the College infrastructure, College administration etc. However, 67.8% students have rated that common room, drinking water, sanitary system, cleanliness, students' aid fund etc from **average to good**, which is needed to be addressed.

Recommendations:

1. The students must be given more and more opportunities to grow in the institution.
2. Teachers must use ICT more to make an impact in the learning process of the students.
3. More importance should be given to improve facilities like common room, drinking water, sanitary system, cleanliness, students' aid fund etc.
4. College authorities are recommended to organize regular seminar/webinar in various disciplines to update the knowledge base of both teachers and students.
5. College authorities are recommended to organize regular counselling session to check on both physical and mental health of students & teachers.
