ACTION TAKEN REPORT (ATR)

Reference: Order of the Department of Higher Education, Government of West Bengal, regarding the implementation of a 500-metre Drug-Free Zone around educational institutions.

Academic Session: 2026–2027

1. Introduction

In compliance with the directives issued by the Department of Higher Education, Government of West Bengal, regarding the implementation of a 500-metre Drug-Free Zone around Government and Government-Aided Colleges, Srikrishna College, Bagula, has initiated measures to promote a safe, healthy, and drug-free educational environment.

The college recognises the importance of protecting students from substance abuse and ensuring their physical, mental, and emotional well-being. Accordingly, necessary steps have been undertaken to create awareness among students, sensitise stakeholders, and strengthen institutional mechanisms to prevent the use and distribution of intoxicating substances in and around the college premises.

2. Action Taken

The following measures have been undertaken by the college:

Sl. No.	Action Taken	Status
1	The directives regarding the declaration of a 500-metre Drug-Free Zone around the college have been communicated to the concerned stakeholders.	Implemented
2	Awareness has been created among students regarding the harmful effects of drug and substance abuse.	Implemented
3	Students have been sensitised about the importance of maintaining a drug-free campus and surrounding area.	Implemented
4	Notices and awareness messages regarding the prohibition of drugs and intoxicating substances have been displayed at prominent locations within the college premises.	Implemented
5	Students have been encouraged to report any instances of drug-related activities to the college authorities.	Implemented
6	The college has taken initiatives to coordinate with the local administration and other relevant authorities for effective implementation of the Drug-Free Zone directive.	Implemented
7	Counselling and guidance have been encouraged for students who may require assistance regarding substance abuse.	Implemented
8	The college has emphasised the importance of maintaining a healthy and responsible student community through awareness and sensitisation programmes.	Ongoing

3. Awareness and Sensitisation

The college has undertaken initiatives to sensitise students regarding the adverse effects of substance abuse on health, academic performance, and social well-being.

Students have been encouraged to adopt healthy lifestyles and participate in constructive academic, cultural, and extracurricular activities. The institution has also emphasised the role of teachers, parents, and local stakeholders in preventing drug abuse among young people.

4. Monitoring and Institutional Responsibility

The college administration is committed to ensuring the effective implementation of the Drug-Free Zone initiative.

Necessary measures are being taken to monitor the college premises and promote awareness regarding the prohibition of drugs and intoxicating substances within the designated zone. The college shall continue to coordinate with the appropriate authorities to ensure compliance with the directives.

5. Counselling and Rehabilitation

The institution recognises that students affected by substance abuse may require professional guidance and support.

Accordingly, the college is committed to facilitating counselling and referring students requiring specialised assistance to appropriate medical and rehabilitation facilities, wherever necessary, in accordance with the applicable guidelines.

6. Future Action Plan

The college proposes to undertake the following measures for the sustained implementation of the initiative:

1. Organising regular awareness programmes, seminars, and discussions on drug abuse prevention.
2. Displaying additional signboards and awareness messages regarding the 500-metre Drug-Free Zone.
3. Strengthening coordination with the local administration and relevant authorities.
4. Encouraging student participation in anti-drug awareness campaigns.
5. Facilitating counselling and professional support for students requiring assistance.
6. Maintaining records of awareness programmes, meetings, and other related activities.
