Message from the Principal

As the Principal of Srikrishna College, Bagula, I would like to share my thoughts and dreams on and about this institution. This college is based on the philosophy of continuous assessment and renovation. Speaking about assessment, we have recently completed the 2nd cycle of accreditation by NAAC and secured 'B' grade. We have received funding under the scheme of RUSA, which is being used for an enormous overhaul and quality enrichment of our infrastructure. We have already installed facilities like virtual classroom and free Wi-Fi zone as a step towards more tech-friendly study environment. The establishment of smart classroom and refurbishment of library are well under process.

Success of an Institution lies in nurturing the true value of education and implementation of those values for the betterment of our society. Plenty of activities like blood donation camps, Swachhwa Abhijan and special camps are held under NSS to hone the traits of a good citizen in a student. Our students' union organise several programmes like college socials, annual sports meet etc as a part of extra-curricular activities. As an organiser of an inter-college cultural competition 'ZEPHYR', we are proud to cherish our rich cultural heritage. Apart from all these, our students are also involved in many other extra and co-curricular activities like publishing of the college magazine 'Panchyajanya', several departmental wall magazines and organising departmental tours

In spite of all the limitations, our philosophy has always helped us to concentrate on the brighter side of things. We believe that limitations always force a way to innovation and success. With a set of dedicated and experienced teachers as well as non-teaching staff and better infrastructure we are here to provide a platform for our students to become a well -educated and responsible part of our society. It is our responsibility to achieve a sustainable improvement in teaching and learning.

So, I would like to request all of my students and colleagues to be an active part of this beautiful journey. Together, we can turn our dream of a better future into a reality and turn our endeavors into a huge success.

Dr. Sukdeb Ghosh

Principal,

Srikrishna College

History of the College

After the Partition of India in 1947, a section of the mass exodus from East Pakistan had crossed the Radcliffe line to arrive and settle at Bagula, India. Among them, were some teachers and students of the Ramadiya Srikrishna College from the Faridpur district of East Pakistan. Instead of going to the government-designated refugee camps, they decided to build their houses at Bagula with limited resources. They cultivated the land to sustain themselves. They had an insatiable hunger for educational and cultural development. The migrants soon realized that provisions of food and shelter did not complete the process of rehabilitation. Education was the need of the hour to alleviate the conditions of the backward classes.

This led to the establishment of a number of primary, secondary, and higher secondary schools. With the unwavering determination and cooperation of the people, an ordinary tin house witnessed the foundation of the Srikrishna College, Bagula. A college inspection report of the University of Calcutta testifies the story of the establishment of the institution of higher education at Bagula. The said report states that although the college was established in the year 1950, it did not receive its formal approval/accreditation/affiliation from the University of Calcutta. It was in the year 1952 that ten students from the college were able to appear for the IA (Intermediate Arts) examination under a special provision issued by the University of Calcutta.

In the academic year 1952-53, Srikrishna College received the permanent seal of approval to teach the IA standard curriculum. Subsequently, the college was allowed to start the B. A. degree classes from the year 1957.

The University of Calcutta granted Srikrishna College permission to start their B. Com. degree classes from the academic year 1962-63. In the academic year 1995-96, the college has got permission to start science stream (UG B.Sc.) with Arts and Commerce Stream. The college was affiliated with the University of Calcutta till the year 1998 and from 1999, Srikrishna College, Bagula has been under the affiliation of the University of Kalyani, West Bengal.

The college has played a pioneering role in teaching Science and Computer Science at the undergraduate level to the students of the region/suburbs/rural areas.

From the academic year 2008-09, M.A. degree courses were started through Open and Distance Education mode under the University of Kalyani. In 2019, postgraduate courses commenced through the Open and Distance Education mode under the Netaji Subhash Open University.

ANNEXURE-III

EVALUATION PROCESS IN SEMESTERIZED UG COURSES UNDER CBCS CURRICULUM OF STUDIES FOLLOWING UGC GUIDELINES UNDER THE UNIVERSITY OF KALYANI

The Evaluation of the candidates shall be based on continuous assessment. The structure of evaluation shall be as follows:

i)   Assessment in each semester shall be divided into three (3) discrete components, viz. C_1, C_2 and C_3. The students will be informed about the modalities of continuous assessment

activities well in advance. The first component (C_1) of assessment shall be of **10%** of the total marks of each course of a semester and will be based on class attendance, class test or assignment or seminar. During the first two months of each semester, 1/3 of the syllabus will be completed. The continuous assessment and C_1 will be consolidated during the 9th week of the concerned semester. The second component (C_2) of assessment shall be of **10%** of the total marks of each course of a semester and will be based on class attendance, class test or assignment or seminar. During the second two months of each semester, 2/3 of the syllabus will be completed. The continuous assessment and C_2 will be consolidated during the 16th week of the concerned semester. Appearance in C_1 & C_2 is mandatory.

ii)   During 21st–23rd weeks of a semester, a semester-end examination shall be conducted for each course and the proportion of C_3 will be **80%** of the total marks of each course of the semester.

iii) The result of each course in a semester shall be based on the values of C_1, C_2 & C_3 and shall be awarded in the form of grade point.

Mechanism of computation of work-load per week:

1 Credit = 1 Theory class of 1- hour duration

1 Credit = 1 Tutorial class of 1- hour duration

1 Credit = 1 Practical class of 2- hour duration

Full marks of a course, having 6 credits/ 2credits, along with distribution of

marks:

1. Full marks of each course of B.A./ B.Sc./ B.Com. (Hon. & Gen./Prog.), carrying 6 credits, be **75**.

2. Full marks of each course of B.A./ B.Sc./ B.Com. (Hon. & Gen./Prog.), carrying 2 credits, be **50**

3. B.A. & B.Com. (Hon. & Gen./Prog) Courses with no practical distribution of 75 marks be as follows:

    3.1. Class Attendance cum Internal Assessment: 20% of 75 marks = 15 marks of which 5 marks be reserved for class attendance (both Theoretical + Tutorial) in the following manner:

a.   Attendance 50% & above but below 60%   - 2 marks

b.   Attendance 60% & above but below 75%   - 3 marks

c.   Attendance 75% & above but below 90%   - 4 marks

d.   Attendance 90% & above up to 100%   - 5 marks

And 10 marks are reserved for Class Test/Assignment/Seminar (Theoretical-05 and Tutorial-05). Minimum 15 classes are allotted for tutorial portion.

3.2. In Semester-End-Examination of each course, Question Paper be set for 60 marks, distribution may be as under:

a.   Answer 10 questions out of 15 carrying 02 marks each = 10x 02 =20

b.   Answer 04 questions out of 06 carrying 05 marks each = 04x 05 =20

c.   Answer 02 questions out of 04 carrying 10 marks each = 02x 10 =20

However, questions, carrying 05 or 10 marks, need not necessarily to be a single
