

Resolution:-

For improving educational strength as well as co-relation a parent-teacher meeting was organised on 03-01-2024. 110 of the parents attended and were happy that the college takes such an initiative of making the parents aware of their children's academic progress in the educational course.

Those who couldn't come on that day met the respective professor the coming week and a few who were not in a position to come were informed about their ward's performance through call. ~~There~~ There was a request by the students and parents to conduct more of practical classes so that they could get more of practice session before the exams.

HOD, gave more stress on time duration of self study and how to use library properly. A fruitful discussion was ended at 3 pm on the said date.

• Resolution:—

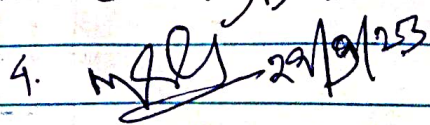

Increased parental involvement in education through parent-teacher can be a cost effective tool to enhance student achievement. So, a parent-teacher meeting was conducted on 29-09-2023 from 12pm-3pm. The parents were intimated through the student official groups well in advance through class teachers and mentors. There was a discussion on student's performance in individual subjects, students discipline in classrooms and their attendance in classrooms and their attendance percentage. One parent was happy with the way the department was conducting academically. One parent also enquired what kind of scope there will be in future. HOD, stressed that if parents and students had any difficulty, they can contact the respective faculty and the department anytime. There were a total 8 parents and 6 students present for the meeting.
