

# SRIKRISHNA COLLEGE

Bagula, Nadia , West Bengal, India,

ESTD : 1950, Govt. Sponsored

Affiliated to the University of Kalyani Re – Accredited by NAAC, Grade – B+ (Cycle - III)

**NSS REPORT SESSION 2024-25**

## Introduction

Srikrishna College is located in the Hanskhali Block, Nadia district in the state of West Bengal as one of the oldest colleges of the district having its own heritage of 72 years that can claim a cultural legacy. Apart from the academic activities based on the newly implemented syllabi and course structure, the college has taken some important initiatives for the social welfare and sensitization for the society at large. The chief objective of those activities were to engage not only the learners but also the people living in the surroundings to make them aware of the social consciousness and make the environment healthier, For almost two years we were caught up in the terrible situations relating to the Covid-19 pandemic. The impact of pandemic is still threatening. Amidst these horrific circumstances, instead of confining ourselves, we tried our best to participate actively in some social activities for the people and make them aware of healthier life, society and environment overcoming the fear of pandemic. The NSS Unit of Srikrishna college has organized a plethora of such approaches already has planned the forthcoming programs. Here, a list of such initiatives already taken and are going to be held has been given below.

# Contents

1. 25.07.24 : Tree Plantation Programme - 2024
2. 04.08.24 : One Day State Level Seminar - 2024
3. 15.08.24 : Independence Day Celebration Programme – 2024
4. 21.08.24 : AIDS Awareness and Health Check-up Programme -2024

## Independence Day Celebration and Volunteer Service – 15th August, 2024

On 15th August 2024, our college organized a grand celebration of India's 78th Independence Day, marked with patriotic spirit and community service. At 10:10 y on the college campus, attended by around 100 enthusiastic volunteers. The moment was filled with respect and pride as everyone saluted the tricolor and remembered the sacrifices of our freedom fighters. After the flag hoisting by **Dr. Sukdeb Ghosh** Principal in this college, NSS Coordinator **Dr. Bipul Mandal** and present others professor. The volunteers moved towards Bagula Bazar, a nearby location, to participate in the Independence Day gathering held there. The volunteers joined the program, shared in the patriotic atmosphere of the marketplace, and then returned to the college to continue their planned activities.

Later in the day, the 100 volunteers were divided into four groups and assigned to different nearby villages. Their mission was to contribute to community cleanliness and public health. Each group carried packets of bleaching powder to distribute among the local families. Volunteers not only handed over the bleaching powder but also explained to villagers the importance of using it to keep their surroundings clean and to prevent the spread of diseases. In addition, the volunteers actively spread bleaching powder on the village roads, drainage areas, and around households to ensure hygiene and sanitation.

This initiative was warmly welcomed by the villagers, who appreciated the efforts of the young volunteers. The campaign promoted awareness about cleanliness and also symbolized the spirit of service, unity, and responsibility towards society. The entire day was a perfect blend of patriotic celebration and social work, reminding everyone that true independence is achieved when we work together for the betterment of our communities.

Through this program, the volunteers not only honored the nation's independence but also contributed meaningfully to the welfare of the people around them.---

## **AIDS Awareness and Health Check-up Programme – 2024**

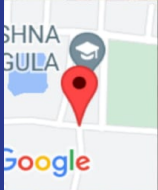

On 21st August 2024, Srikrishna College, Bagula organized an **AIDS Awareness and Health Check-up Programme – 2024** under the initiative of the NSS Unit of the college. The programme aimed to spread awareness about HIV/AIDS, its prevention, and the importance of healthy lifestyle practices among students and the local community.

The session began with an introductory speech by the NSS Programme Officer, highlighting the need for knowledge and preventive measures against HIV/AIDS. Experienced doctors and health experts were invited to conduct interactive sessions where they explained the causes, symptoms, misconceptions, and treatment facilities related to the disease. Special emphasis was given to safe practices, regular health check-ups, and the importance of compassion towards those affected.

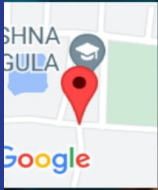

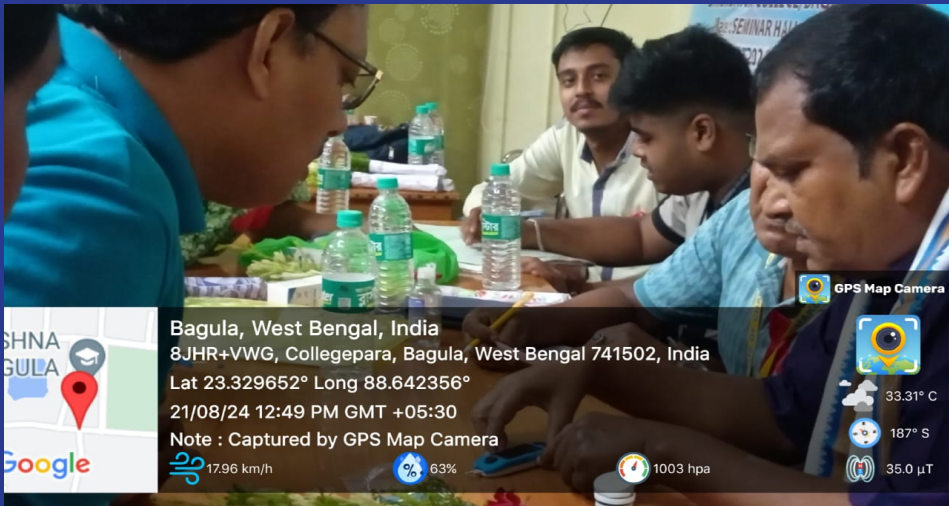

Along with the awareness campaign, a **free health check-up camp** was organized for students and local residents. General health examinations, blood pressure monitoring, and counseling services were provided. Participants actively engaged in the discussions, clearing doubts and gaining practical knowledge about health and hygiene.

The programme proved to be highly informative and beneficial, instilling a sense of responsibility among students to spread awareness in society. It successfully fulfilled its objective of promoting health consciousness and removing social stigma related to AIDS.

## **Adopted Five Village – Unnat Bharat Abhiyan Programme-2024**

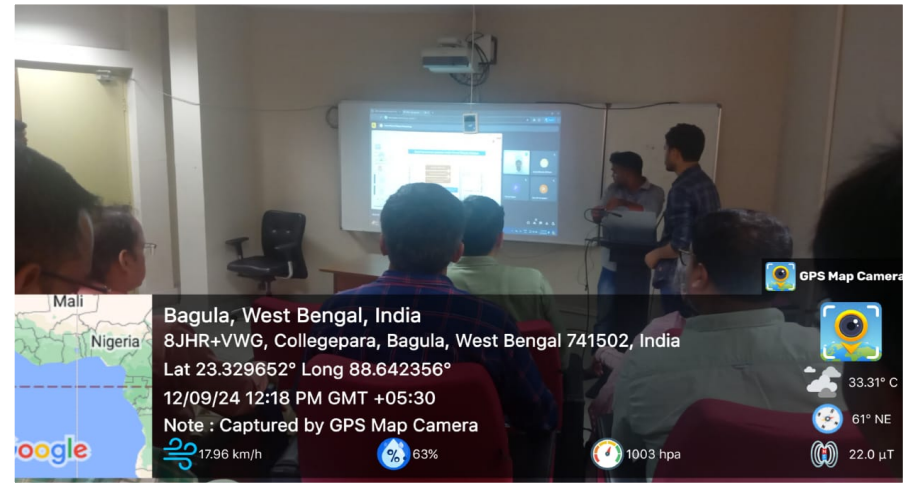

On 12th September 2024, our college successfully launched the Unnat Bharat Abhiyan Programme – 2024 by adopting five nearby villages with the vision of contributing to rural development and community empowerment. The initiative was designed to strengthen the connection between higher education institutions and rural society by addressing local challenges through sustainable solutions.

A team of faculty members and student volunteers visited the adopted villages to interact with the local families, community leaders, and panchayat representatives. The focus was on understanding the pressing needs of the villagers in areas such as health, sanitation, education, livelihood, and environmental sustainability. Surveys and discussions were conducted to gather valuable information about the socio-economic conditions of the villages.

During the programme, awareness was created about hygiene, proper sanitation practices, and the importance of education for children. Volunteers also discussed the use of clean energy, water conservation, and the benefits of government welfare schemes.

The adoption of these five villages under Unnat Bharat Abhiyan 2024 marks a significant step in fulfilling the dream of rural self-reliance and development. This initiative not only empowers the villagers but also provides students an opportunity to apply their knowledge for meaningful social change.

## Teaching Material Distribution Programme – 2024

Teaching Material Distribution Programme - 2024 On 21st September 2024 organized by National Service Scheme (NSS) as part of its commitment to supporting education and uplifting underprivileged students in the community. The programme aimed to provide essential educational resources to children from nearby villages of Hatibanda Primary School and economically weaker sections, thereby encouraging them to pursue their studies with dedication and enthusiasm.

Faculty members and student volunteers of the college actively participated in the programme. Teaching materials such as Black board, bench, light, School building paint, fan, notebooks, pens, pencils, geometry boxes, and other stationery items were distributed among school-going children. Along with this, informative charts, learning aids, and basic reference books were also provided to help improve the quality of their education.

During the distribution, the college volunteers interacted warmly with the children, motivating them to focus on their studies and highlighting the importance of education as the key to a brighter future. Awareness was also created among parents about the value of supporting their children's education and ensuring regular school attendance.

## Dengue Awareness and Dress Distribution Programme – 2024

On **1st October 2024**, our college organized the **Dengue Awareness and Dress Distribution Programme – 2024** with the dual objective of spreading awareness about dengue prevention and supporting underprivileged children with essential clothing. The programme was a blend of health education and social service, reflecting the institution's commitment to community welfare.

Faculty members and student volunteers actively participated in the event. The awareness campaign began with informative sessions on **causes, symptoms, and preventive measures of dengue fever**, emphasizing the importance of keeping surroundings clean, removing stagnant water, and using mosquito nets or repellents. Pamphlets and posters were distributed to local families to reinforce the message. Volunteers also demonstrated practical steps such as spreading bleaching powder and ensuring proper waste disposal. Alongside the health awareness drive, the programme included the **distribution of new dresses** to children from nearby villages at Hatibanda and economically weaker families. The children expressed great joy in receiving the new garments, clothes, lungi, mosquito net, and their families were deeply appreciative of the initiative.

This programme not only raised crucial awareness about public health but also brought smiles to many young faces. It highlighted the values of **care, compassion, and responsibility**, inspiring both students and the community to work together for a healthier and happier society.

## Health Check-up and Dress Distribution Programme – 2024 Venue: Madna Primary School

In 2024, a **Health Check-up and Dress Distribution Programme** was successfully organized at **Madna Primary School** with the aim of promoting health awareness and supporting the basic needs of school children. The event brought together faculty members, medical professionals, and student volunteers who worked collectively to ensure its success.

The programme began with a **free health check-up camp** for the students of Madna Primary School. Doctors and healthcare staff conducted thorough examinations, including general health assessments such as weight, eyesight, dental hygiene, and basic medical consultations. Special emphasis was placed on creating awareness among children about maintaining personal hygiene, balanced nutrition, and the importance of regular health check-ups for overall well-being. Parents were also advised on preventive healthcare practices.

Following the health camp, **new dresses were distributed** to the children, bringing smiles and joy to their faces. The distribution not only met a practical need but also encouraged the students to attend school with greater enthusiasm and confidence.

The programme was warmly welcomed by the school authorities and parents, who expressed deep gratitude for the thoughtful initiative. It highlighted the values of **care, compassion, and service to society**, inspiring the community to prioritize education and health for the younger generation.

## **My Bharat Portal Training Programme – 2024**

On **24th December 2024**, **Srikrishna College** organized the **My Bharat Portal Training Programme – 2024** with the aim of empowering students and volunteers through digital awareness and capacity building. The programme focused on providing hands-on training about the usage and benefits of the **My Bharat Portal**, an important digital initiative designed to connect youth with various opportunities in education, skill development, employment, and social service.

Faculty members and resource persons guided the participants through detailed demonstrations of the portal's features, including registration procedures, profile creation, accessing government schemes, and exploring volunteer opportunities. Students were trained on how to utilize the platform for career advancement, participation in national development programmes, and effective engagement in community services.

The training session also highlighted the role of digital literacy in modern education and career building. Participants interacted actively with the trainers, clarifying their doubts and practicing portal navigation. This hands-on learning experience motivated students to embrace technology as a tool for self-growth and nation-building.

The event received positive feedback from the participants, who expressed gratitude for the initiative. Through this programme, **Srikrishna College** reinforced its commitment to preparing youth for a digitally empowered and socially responsible future.

## Household Survey Programme – 2025

On 14th January 2025, our college organized the Household Survey Programme - 2025 as part of its extension and outreach activities, with the objective of understanding the socio-economic conditions of nearby villages and strengthening community engagement.

A group of faculty members and student volunteers visited different households in the adopted villages to collect detailed information regarding family size, income, education, occupation, sanitation, health, and access to government welfare schemes. The survey was conducted systematically through questionnaires and face-to-face interactions with family members.

Volunteers also used the opportunity to spread awareness about important issues such as personal hygiene, child education, women's empowerment, and the importance of availing healthcare facilities. They motivated families to utilize government initiatives in sectors like health, education, and employment for their betterment.

The programme not only helped the villagers voice their needs and challenges but also provided valuable data that will be useful in planning future development initiatives under college and community collaboration. The villagers appreciated the efforts of the students and welcomed the initiative wholeheartedly.

## 75 Years Celebration Programme – 2025

On **25th January 2025**, Srikrishna College proudly celebrated its **75 Years Celebration Programme - 2025**, marking a historic milestone in the glorious journey of academic excellence and social service. The event was organized with grandeur and patriotic fervor, bringing together students, faculty members, alumni, and distinguished guests.

The programme commenced with the hoisting of the National Flag, followed by the rendering of the National Anthem, symbolizing unity and dedication. Eminent speakers highlighted the **75 years of remarkable achievements** of the institution in the field of education, research, culture, and community development. Cultural performances by students, including patriotic songs, traditional dances, and skits, showcased the rich heritage of the college and the vibrant spirit of youth.

Special emphasis was given to recalling the college's role in shaping young minds and contributing to the nation's progress. Alumni shared inspiring experiences, while faculty members reaffirmed their commitment to nurturing future generations with the same zeal and dedication.

The celebration was not only a tribute to the institution's glorious past but also a pledge for an even brighter future. The event concluded with a vote of thanks, leaving everyone inspired by the vision of **“Education, Service, and Nation-Building.”**

# Blood Donation Camp Programme – 2025

On the auspicious occasion of **Republic Day, 26th January 2025**, Srikrishna College, Bagula, organized a **Blood Donation Camp Programme – 2025** with the noble objective of serving humanity and spreading awareness about the importance of voluntary blood donation. The event was a joint initiative of the college NSS Unit, faculty members, and local health authorities.

The programme began with a brief inaugural session where the Principal and senior faculty addressed the gathering, highlighting the life-saving significance of donating blood. After this, trained medical professionals from the local health center conducted the camp in a systematic and hygienic manner.

A large number of **student volunteers, teaching and non-teaching staff, and members of the local community** enthusiastically came forward to donate blood. Each donor was medically screened before the process to ensure safety. Donors were later provided with refreshments and certificates of appreciation as a token of gratitude for their selfless contribution.

The camp not only collected valuable units of blood but also successfully instilled a spirit of social responsibility and humanitarian service among the youth. The programme concluded with a message of solidarity, reinforcing the idea that “**donating blood is donating life.**”

## **3 Days Cleanliness Drive Programme under Swachhta Action Plan-2025**

From **17th to 19th February 2025**, our college successfully organized a **3 Days Cleanliness Drive Programme under the Swachhta Action Plan – 2025** with the active participation of NSS volunteers, faculty members, and local community members. The drive was undertaken to promote the values of cleanliness, hygiene, and environmental responsibility among students and the surrounding villages.

On the first day, volunteers cleaned the college campus, classrooms, corridors, and playground areas, ensuring a healthy and inspiring environment for learning. Awareness sessions were conducted to highlight the importance of maintaining personal hygiene and proper waste management.

The second day focused on cleanliness activities in nearby villages. Volunteers cleaned roads, drains, and public spaces while spreading bleaching powder in vulnerable areas to prevent mosquito breeding. They also interacted with villagers to encourage sustainable waste disposal practices and the importance of clean surroundings in preventing diseases.

On the final day, a rally was organized to spread the message of “**Swachh Bharat, Swasth Bharat**”, inspiring the community to join hands for a cleaner future. The 3-day drive not only improved hygiene standards but also instilled a strong sense of social responsibility among the students.

## 7 Days Special Camp – 2025

From **18th to 24th March 2025**, the NSS Unit of our college organized a **7 Days Special Camp at Bhayna Jashodamani High School**, which turned into a memorable journey of service, learning, and community engagement. The camp brought together volunteers, faculty members, and villagers in a shared spirit of responsibility and cooperation.

The camp began with an inaugural ceremony where the Principal, teachers, and community leaders warmly welcomed the volunteers. The seven days were filled with a variety of meaningful activities that combined **social service, awareness campaigns, health initiatives, and cultural exchange**.

Daily activities included **cleanliness drives**, plantation programmes, awareness sessions on **health, hygiene, and environmental conservation**, as well as surveys to understand the socio-economic conditions of the local community. Medical check-up camps and health awareness talks were arranged to benefit villagers, while special sessions were held for school children, focusing on education, discipline, and moral values.

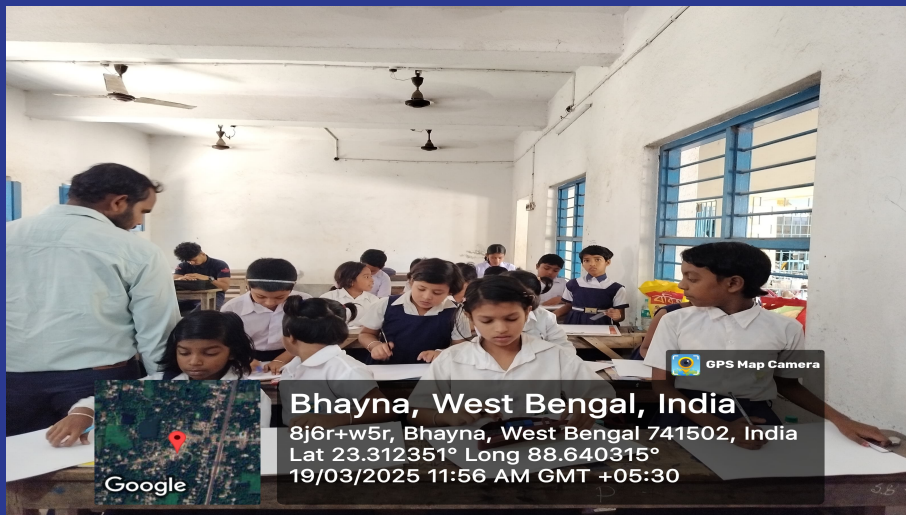

Evenings were marked by **cultural programmes, group discussions, and interactive sessions**, where students showcased their talents and built strong bonds with the local community. Villagers actively participated, creating an atmosphere of unity and joy.

The camp concluded with a valedictory session, where villagers and volunteers shared their enriching experiences. The **7 Days Special Camp – 2025** not only enhanced the personality and leadership

## **One Day State Level Seminar – 2025**

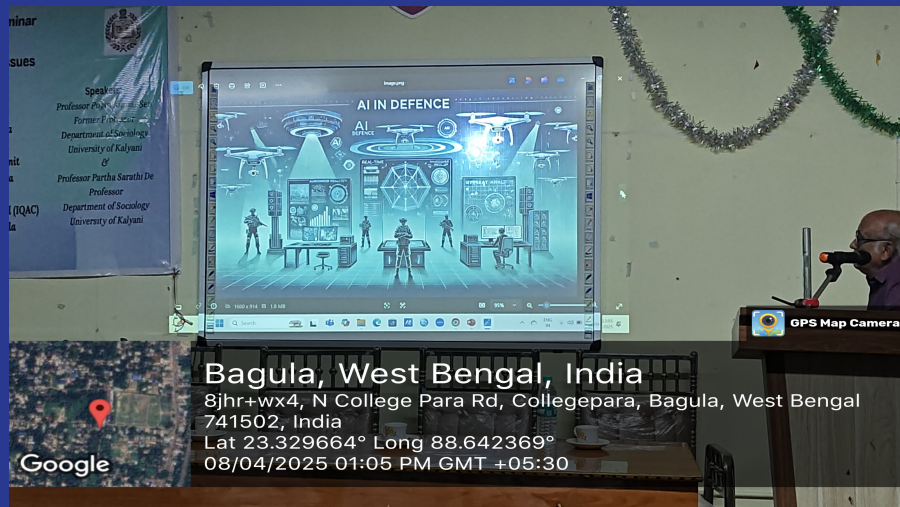

On **8th April 2025**, **Srikrishna College** successfully organized a **One Day State Level Seminar – 2025**, organized by National Service Scheme (NSS) and Department of Sociology of Srikrishna College, Bagula, Nadia, bringing together academicians, researchers, students, and distinguished guests from across the state. The seminar served as a vibrant platform for knowledge sharing, academic dialogue, and intellectual growth.

The inaugural session began with a welcome address by the Principal Dr. Sukdeb Ghosh and valuable space IQAS coordinator Dr. Anamika Chakraborty Resource parson Dr. Parthasarati Dey, Dr. Proshun Sen and 100 volunteers Present this programme, followed by the lighting of the lamp and keynote speeches delivered by eminent scholars. The speakers highlighted the importance of research, innovation, and higher education in shaping the future of society. Participants were encouraged to engage in critical thinking and contribute to nation-building through education and social awareness.

Technical sessions followed, where invited speakers and participants presented papers on relevant themes. Discussions covered diverse perspectives, enriching the audience with new ideas and insights. Students and young researchers especially benefitted, gaining exposure to advanced knowledge and academic trends.

The seminar concluded with an interactive session and a valedictory address. Certificates were distributed to participants as recognition of their involvement.

The **One Day State Level Seminar – 2025** at Srikrishna College was a resounding success, fostering collaboration, enhancing academic spirit, and reaffirming the institution's commitment to excellence in education and research.

## One Day Awareness Programme on Code of Conduct- 2025

On 14th May 2025, a One Day Awareness Programme on Code of Conduct - 2025 was organized with the objective of sensitizing students, faculty members, and stakeholders about the ethical guidelines, professional behavior, and responsibilities to be followed within academic and social life.

The programme began with an inaugural session where the Principal delivered the welcome address, emphasizing the importance of discipline, integrity, and accountability in shaping an individual's character and career. Expert speakers highlighted the significance of adhering to institutional rules, maintaining academic honesty, respecting diversity, and upholding values such as fairness, transparency, and responsibility.

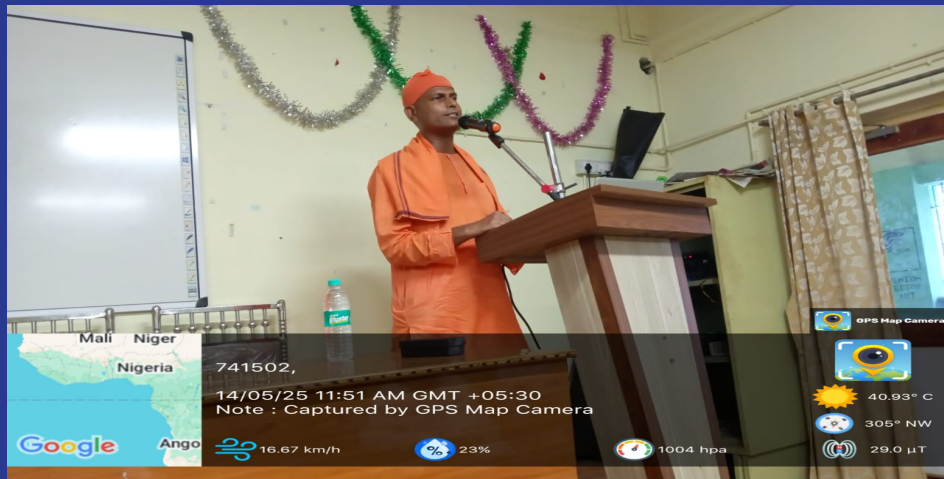

Interactive sessions and discussions were conducted to make the programme more engaging. Students were encouraged to share their views on ethical dilemmas, classroom discipline, use of digital resources responsibly, and the need for respectful behavior in both academic and community settings. Pamphlets and awareness materials on the **Code of Conduct** were distributed to participants.

The programme concluded with a pledge-taking ceremony where students and faculty promised to uphold the highest standards of conduct in their personal and professional lives. This initiative proved to be highly impactful, fostering a culture of **discipline, respect, and ethical responsibility** across the institution.

## Free Eye Check-up and Spectacles Distribution Programme – 2025 Santinagar Jaynarayanpur High School

On **15th May 2025**, a **Free Eye Check-up and Spectacles Distribution Programme** was organized at **Santinagar Jaynarayanpur High School** with the objective of promoting eye health and supporting students with proper vision care. The initiative was conducted in collaboration with medical professionals, faculty members, and student volunteers who worked together to make the programme a success. The programme began with a **comprehensive eye screening camp** for the students and local community members. Qualified optometrists and doctors conducted eye examinations, testing vision, identifying refractive errors, and checking for common eye problems. Awareness sessions were also held to educate students about eye care practices, the importance of regular check-ups, and preventive measures to protect eyesight in the digital age.<sup>554-</sup>

After the check-up, **spectacles were distributed free of cost** to students and individuals diagnosed with vision problems. The distribution of spectacles not only improved their ability to study and perform daily tasks effectively but also brought immense relief and joy to the beneficiaries. The event was warmly appreciated by the school authorities, parents, and the local community. It reflected the values of **service, health awareness, and social responsibility**, making a significant contribution towards the well-being of students and society.<sup>3</sup>
