

# **Srikrishna College, Bagula, Nadia ,**

## **National Service Scheme**

**Report 2021-2022**

### **Introduction:**

Srikrishna College is located in the Hanskhali Block, Nadia district in the state of West Bengal as one of the oldest colleges of the district having its own heritage of 72 years that can claim a cultural legacy. Apart from the academic activities based on the newly implemented syllabi and course structure, the college has taken some important initiatives for the social welfare and sensitisation for the society at large. The chief objective of those activities were to engage not only the learners but also the people living in the surroundings to make them aware of the social consciousness and make the environment healthier. For almost two years we were caught up in the terrible situations relating to the Covid-19 pandemic. The impact of pandemic is still threatening. Amidst these horrific circumstances, instead of confining ourselves, we tried our best to participate actively in some social activities for the people and make them aware of healthier life, society and environment overcoming the fear of pandemic. The NSS Unit of Srikrishna college has organised a plethora of such approaches already has planned the forthcoming programmes. Here, a list of such initiatives already taken and are going to be held has been given below.

Programme organised by the NSS Unit, Srikrishna College and also the proposed initiatives:

23.06.2021: The NSS Unit has organised a One Day State Level Webinar on Covid 19 and Black Fungus as an awareness programme amidst pandemic situations. Renowned Doctor Sougata Ganguly and Doctor Ankita Mishra delivered their speeches and enriched us with awareness for protection against diseases like covid-19 and black fungus.

21.10.2021: Plantation programme in the college premises and surroundings for a healthier environment. 100 volunteers attended the programme.

29.10.2021: Another awareness programme was held entitled Clean India Programme- 2021 along with mask distribution and mass sanitisation in different places of Bagula town. 100 volunteers attended the programme.

22.12.2021: A State Level Seminar was organised entitled Health Awareness for Protection against Diseases. Renowned doctor Sankar Kumar Nath and doctor Birendra Nath Majumder delivered their speeches and enriched us with awareness for protection against diseases like cancer and covid-19. 100 volunteers and other 200 students and all professors attended the programme.

05.01.2022: One day Camp was held on Thalassemia Test and Health Check up. 100 volunteers and other 150 students and all professors attended the programme.

12.01.2022: The Unit has celebrated the 160th birthday of Swami Vivekananda. All NSS volunteers and students from various departments have taken part actively in the programme.

23.01.2022: The Unit has celebrated the birthday of Netaji Subhash Chandra Bose to pay him our deep felt homage. All NSS volunteers and students from various departments have taken part actively in the programme.

26.01.2022: On the great occasion of Republic Day the Unit has organised a cultural programme to celebrate the glory of our nation.

08.03.2022: Celebration of International Women's Day along with a cultural programme and cultural competitions participated by the students. All NSS volunteers and students from various departments of Srikrishna College as well as other colleges and schools have taken part actively in the programme.

21.02.2021: International Mother Language Day had been celebrated with pravatferry, cultural programme and seminar in college premises.

08.03.2022 to 14.03.2022: A special camp for 'cleanliness ,awareness and cultural activity' had been organised at Sahapur Primary School to fulfil the important social responsibilities and objectives of National Service Scheme unit at Srikrishna College .

23.03.22: Initiatives have been taken to organise a Red Ribbon Club as awareness and blood group test programme for protection against AIDS. 100 volunteers , other 200 students and teaching and non teaching stuff attended the programme.

29.03.22: A blood donation camp had been held which is a necessity today to contribute and overcome the issues related to the scarcity of blood in hospitals as a drop of blood can save a life. 100 volunteers, other 200 students and teaching and non teaching stuff attended the programme.

We thank everyone who were with us actively in our initiatives and humbly solicit the presence and active participation of more in future.

Dr. Bipul Mandal
