Call for Review Articles

Last date for submission is extended till 30/09/2021

Dear Academician,

Srikrishna College, Bagula, Nadia takes the pleasure to inform you that an edited book, “**Advances in Modern and Applied Sciences: A Collection of Research Reviews on Contemporary Fields (Volume 1)**”, will be published in 2021. Authors from Basic Sciences (Physics, Chemistry, Mathematics, Computer Science) including inter-disciplinary and emerging fields, are invited to submit review articles for the book.

Advances in Modern and Applied Sciences is an annual book publication from the Science Departments of Srikrishna College. The purpose is to publish a series of volumes consisting of review papers on contemporary research fields to get an update of current research trends and to understand the overall progress in Modern and Applied Sciences. The present Book is the 1st Volume of its kind.

The Book will be published by the International Publisher **Science and Education Publishing (SciEP)** (www.sciepub.com) (USA) in **Hard and Soft copies with ISBN and DOI numbers**.

There is no Publication Charges for the authors.

Dr. Sujay Pal (sujay@srikrishnacollegebagula.ac.in) and Tushar Kanti Biswas (tushar@srikrishnacollegebagula.ac.in) are the Editors of the Book. Questions can be directed to any of the above-mentioned email addresses.

The general format for submission of review articles is available from <https://srikrishnacollegebagula.ac.in/sciEp.zip>

Please download the doc or Latex template to prepare your manuscript and send to sujay@srikrishnacollegebagula.ac.in or tushar@srikrishnacollegebagula.ac.in.

Last date for submission is extended till 30/09/2021
