**NATIONAL SERVICE SCHEME UNIT  
REPORT: 2021-22**

# Introduction

Srikrishna College is located in the Hanskhali Block, Nadia district in the state of West Bengal as one of the oldest colleges of the district having its own heritage of 72 years that can claim a cultural legacy. Apart from the academic activities based on the newly implemented syllabi and course structure, the college has taken some important initiatives for the social welfare and sensitization for the society at large. The chief objective of those activities were to engage not only the learners but also the people living in the surroundings to make them aware of the social consciousness and make the environment healthier. For almost two years we were caught up in the terrible situations relating to the Covid-19 pandemic. The impact of pandemic is still threatening. Amidst these horrific circumstances, instead of confining ourselves, we tried our best to participate actively in some social activities for the people and make them aware of healthier life, society and environment overcoming the fear of pandemic. The NSS Unit of Srikrishna college has organized a plethora of such approaches already has planned the forthcoming programs. Here, a list of such initiatives already taken and are going to be held has been given below.

# Programs organized by the NSS Unit, Srikrishna College and also the proposed initiatives:

23.06.2021: The NSS Unit has organized a One Day State Level Webinar on Covid 19 and Black Fungus as an awareness program amidst pandemic situations. Renowned Doctor Sougata Ganguly and Doctor Ankita Mishra delivered their speeches and enriched us with awareness for protection against diseases like covid-19 and black fungus. More than 100 volunteers participated in this program.
