Estd. 1950

Government Sponsored General Degree College
Affiliated to University of Kalyani
Bagula, Nadia, WB, Pin-741502.

COVID 19 Messages from Principal

My dear students, COVID-19 pandemic and the ongoing crisis have surely deflected lives and disrupted normal life across the world. We are going through an unprecedented global predicament today. Each one of us and the entire world is affected by the corona virus pandemic; our economy, our families, communities and our entire way of life are adversely affected by the scare of infection and contagion. There are innumerable inspiring stories of health professionals, selfless workers, Corona warriors, police personnel, and volunteers stepping forward to defeat the pandemic. We must remain positive and keep our hope alive that very soon mankind will be able to find a way out of this difficult situation soon in near future. We, at Srikrishna College, are concerned about the health and safety of our students, staff and their families and friends.

I strongly recommend that all the 1st Semester students **start preparing hard for your upcoming examinations** because the **University may announce the dates for the Examinations very soon**. Therefore, you must consider as if your examinations are just round the corner. We will keep you informed about the College procedures regarding classes and examinations in the College Website.

As the world stays secured behind closed doors during COVID-19 lockdowns and self quarantine, work from home and online classes have become a norm. What we all need now is patience, optimism, resilience and firm faith in God almighty. While we stay home during this extended 2nd wave of COVID-19 lockdown, it's a good time to read books to expand your knowledge. Try to do something constructive and different like cooking, painting, beautifying your homes to have that much needed sense of achievement and triumph in these stressful times. Let me share the CORONA acronym. **C** (Care for each other) **O** (Opportunity to know your strength) **R** (Rest and relax) **O** (organize your thought and life) **N** (Navigate your way to achieve target) **A** (Accomplish success).

Let's not get paranoid about Corona virus pandemic. Just follow the due precautions and **take very good care of yourself and those around you**. There is a strong ray of hope guiding us to find a way out of the present crisis. We will be out of these stormy waters for sure.

The corona virus pandemic has led to panic across the world. It is easy to get demotivated with the current global crisis which can lead to stress and anxiety but hope and positivity mustn't be lost. We should keep faith in ourselves. This is the moment we are called to be our best selves in tune with the vision and mission of Srikrishna College to be men and women for and with others leading a life of patience, empathy and compassion.

We can...
We shall overcome...
We could lose the battle...
But we will win the war...
Stay safe... Stay strong...

Dr. Sukdeb Ghosh
Principal
